

PHILOSOPHY

Fairview High School provides an educational program which helps its students to develop the academic skills and personal qualities necessary to participate responsibly and intelligently in a democratic society. Our program attempts to develop the knowledge, skills, and attitudes that are required for higher education and the world of work. The education that Fairview students receive should enable them to meet and understand the demands of a changing world. The faculty and administration strive to foster a climate in which creativity can flourish. The school encourages students to develop the physical and emotional well being that will allow them to become responsible parents. The school recognizes its responsibility to strive for effective communication between the school and the community. In addition, Fairview endeavors to foster intellectual curiosity that will continue throughout life.

To guide students in setting realistic goals while in school and to help them establish direction for the future.

To foster in students an appreciation of learning and a realization that education is a lifelong process.

To foster in students an appreciation of creative expression in literature, art, music, and the sciences.

To encourage students to realize and develop their unique talents in a broad range of healthy leisure-time activities.

To develop concepts that encourage an emotional and physical sense of well-being that results in a desirable and safe life style.

To strengthen communication between the school and the community.

OBJECTIVES
