

# What is P.A.T.S.?

How often have you wondered what exactly happens behind those white walls in the building on the hill?

- PATS is a group of parents responsible for the many functions that involve all aspects of the academic process of FHS.
- **Being involved** in PATS helps you, as a parent, be totally aware of the opportunities for your children.
- PATS reflects the “pulse” of the school’s opportunities.

**PATS** meetings are on the first Tuesday of every month at 9AM (on the school calendar) in the FHS Conference Room across from Guidance. Opportunities are also available on various committees for working and non-working parents. EVERYONE IS WELCOME AT ANY MEETING!

Check EdLine for updates or call our Co-Presidents for more information:
