

August 2007

Dear Freshman Parents,

The Fairview Athletic Boosters Association would like to welcome you and your son or daughter to Fairview High School. Our organization believes Fairview is a wonderful school district. We are one of Erie County's top schools, in academics, athletics and the arts. The Boosters Association sponsors, promotes and supports programs that will provide an additional funding source to enhance the athletic programs of the Fairview School District.

This will be an exciting year for all of you. It will also be a year of changes. As our children move through school our involvement in their activities seem to decline. Joining the Boosters Association is a great way to stay involved. We need your time, talents and money. We are also aware of all of the other demands on these three items.

As the new in-coming Co-Presidents of the Association, one of our first initiatives is to increase the membership. We believe if a good majority of our student-athletes' parents were to become active members then we shouldn't require too much of your time, talents and money.

How can you become involved? First, become a member by filling out the enclosed membership form. As you can see there is a level for everyone. Second, please do volunteer. Our two main sources of funding come from concession stand profits at home football and soccer games and our Casino Night. Both of these are also a lot of fun to participate in and give you the opportunity to meet new people.

Please review on the back-side of the membership form our list of programs. We should also point out that we are a booster club for all sports. All coaches have the opportunity to use our funds and services. We look forward to seeing you at our next meeting and/or at the first game of the season. The Fairview Tigers athletic teams should be a force to contend with this year.

Sincerely,  
Gene & Jami Sundberg  
Co-Presidents
