

## **SINGLE-STREAM RECYCLING PROGRAM**

All of your recyclables can be placed together in the same bin. No sorting required!

### **The following can be placed in your recycling bin:**

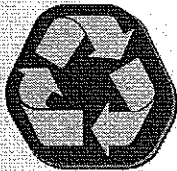

- Aluminum, steel and tin food & beverage containers
- Clear & colored glass containers
- Newsprint – if it comes with the newspaper, it can be recycled with the newspaper
- Kitchen cardboard – cereal, cake boxes, pudding, pancake boxes
- Papers – construction, printer, computer & copy
- Junk mail
- Magazines & catalogs
- Corrugated cardboard – flattened & no larger than 4 ft.

Plastics #1 through #7 which includes milk, water & soda bottles, laundry products, cleaning products, plastic grocery bags, shrink-wrap packaging, medicine bottles, personal care containers, butter, cottage cheese, yogurt, jello & pudding containers

Please remove food debris from containers. Labels do not have to be removed. Lids should be removed from containers, but can be placed in the recycling bin. All of the above recyclable items can be placed in your bin together, but, please do not place light items like plastic bags or pieces of paper so they can blow out of your bin. You can use a clear or blue bag to contain these items and place in your bin.

### **NOT ACCEPTED**

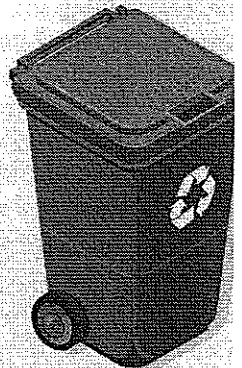

- Wax coated paper or wax coated cardboard
- Batteries - STYROFOAM of any kind
- Unnumbered plastics
- Household items
- Hazardous or toxic substances
- Aerosol cans

**PLEASE SPACE YOUR TRASH & RECYCLING APART FOR EASIER PICKUP**

## **NEW RECYCLING BINS**

You may have noticed new large blue recycling totes around your neighborhood. If the small recycling bin does not meet your needs, or you are using two or three of them, please stop by the recycling office to see the new totes. Since we can recycle so much more with the single stream program, this may be just what you need. You will be able to place all of your cans, bottles, glass, newspapers, magazines, junk mail and plastics #1 through #7 in the same container. The new bin has a lid and wheels to make it easy to place at the curb. With the help of a grant, the cost to residents will be \$20.00 each. If you are interested, please pick one up at the Township Building. The small bins are also available at no cost.

### **PERMIT CARD**

If you have not already done so, please stop by the Township recycling office to pick up your free "permit card". You show your driver's license and we issue you a permit that you can use for the Millfair site, Fairview Evergreen Nursery site and for admission to clean-up day.

**IT IS EASY AND FREE!**
