REVISED:

# FAIRVIEW SCHOOL DISTRICT

407. STUDENT TEACHERS	
1. Purpose	The Board encourages cooperation with colleges and universities within the state in the training of student teachers. Therefore, the schools of this district will accept student teachers from accredited institutions of higher learning.
2. Definition	A <b>student teacher</b> is defined as a teacher trainee from an approved teacher training institution. The placement in the district of such student teachers is to be encouraged.
3. Delegation of Responsibility	The Board delegates the authority to select student teachers to the Superintendent. Recommendation for said selection shall be made by the building principal with the agreement of the supervising teacher.
4. Guidelines Title 28 Sec. 23.43 (c) SC 1418 Pol. 414	<p>Student teachers shall comply with the health examination of the State and the policy of this district as it applies to certificated personnel.</p> <p>Student teachers shall be responsible for their conduct to the supervising teacher and building principal.</p> <p>There will be no more than 10% of the Fairview School District staff, per semester, assigned student teachers at any time. In accepting student teachers to serve their internship in the Fairview School District, the administration will take the necessary steps to assure that no one grade level or school will have a disproportionate number of interns.</p> <p>The district recognizes it is necessary for a student teacher to assume "charge" of a class at some time during the internship; however, the assigned classroom teacher cannot abdicate the responsibilities of the position, e.g., grading, discipline, and classroom management.</p> <p>It will be permissible for an intern student teacher to divide the internship between two (2) classroom teachers during the assignment.</p>
