ADOPTED: June 20, 1994

REVISED:

612. PURCHASES NOT BUDGETED	
1. Purpose SC 609	The laws of the State and the interests of the community require fiscal responsibility by the Board in the operation of the school district. Appropriate fiscal controls are hereby adopted to insure that public funds are not disbursed in amounts in excess of the appropriations provided this district.
2. Authority SC 609, 666, 687(d)	When funds are not available for a proposed appropriation, a legal transfer from one class of expenditure to another may be made in the last nine (9) months of the fiscal year by the Board if it is apparent that the necessary surplus funds do exist in another appropriation and if the procedures specified in the School Code are followed. All above transfers require a minimum of six (6) affirmative votes by the Board.
3. Guidelines	<p>In the event of emergency (which exists whenever the time required for the Board to act in accordance with regular procedures would endanger life or property or threaten the continuance of existing school classes), a purchase order may be authorized by the Superintendent.</p> <p>Any expenditures in excess of appropriation made in conformance with this policy shall be reported to the Board at the next meeting with a recommendation of funds to be transferred to cover said purchase. The Board shall be provided with complete information regarding the funds available, the proposed expenditure, and reserves.</p>
