# FAIRVIEW SCHOOL DISTRICT

SECTION: COMMUNITY

TITLE: ADVISORY COMMITTEES

ADOPTED: June 20, 1994

REVISED:

## 905. ADVISORY COMMITTEES

1. Purpose

Advisory committees are sometimes useful in keeping the Board and administration informed with regard to community opinion and in representing the community in the study of specific school problems.

2. Delegation of Responsibility

The Superintendent is responsible for the organization and operation of all mandated advisory committees. These committees shall be under the control of the Superintendent. The Board shall be notified whenever an advisory committee is established or disbanded. The Board may require the Superintendent to evaluate and/or report on the functioning of such committees.

ESEA, Title I parent councils, and vocational-technical advisory committees are considered part of this policy and are to meet existing state and federal guidelines.
